Mr. Fred Ellsworth
Mr. Frank T. Stockton
Mr. Solon Ayers

Gentlemen:

Last Sunday a week ago when I addressed the Rotary Conference at Oklahoma City, I had the pleasure of visiting with Tom Greiner, the district manager of the B. F. Goodrich Company of Oklahoma City. Tom asked especially that he be remembered to you three. I am now passing on his request.

He is getting along splendidly and has a fine family and a beautiful home.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
