Miss Florence Black
209 F.S.

Dear Miss Black:

I am turning in your bill to Mr. Quigley for payment, which will be made through the Athletic Association.

I want you to know how very pleased we are that you could make the trip. The five cheerleaders sang your praises to the sky and we appreciated your splendid cooperation.

Thanks for your words of congratulations and if it is humanly possible at all, I assure you that such fine expressions from you and some others will compel us to do the job at Norman.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
