TO OUR MUSIC LOVING FRIENDS:

The University of Kansas Band will present its annual winter concert on Monday evening, January 21, at 8:00 o'clock in Hoch Auditorium.

The special feature of the evening will be a one hundred piece band, the best we have been able to produce since the war dismembered our bands of pre-war days. Four brilliant soloists will also be featured -- a violinist, a cornetist, a clarinetist and a marimba soloist. We believe this will be an evening to be enjoyed by everyone and we invite you to be present.

You will find complimentary tickets herewith enclosed -- only the tax to be paid at the box office. Additional tickets will be sent upon request.

Yours very sincerely,

  
Russell L. Wiley  
Director
