Dear Colleague:

The conventions of the Kansas State Teachers Association are scheduled for November 2 and 3 at Topeka, Salina, Hays, Dodge City, Wichita, and Parsons.

General sessions, departmental meetings and round tables will constitute the program at each city named. Several University faculty members will participate in some of these sessions. The teaching profession of Kansas welcomes your active cooperation and participation.

Dues - \$3.00 per year -- may be paid now. Gladys Kunkel, 103 Fraser, and Dorcas Rublee, 223 Frank Strong Hall, have the membership booklets.

Sincerely yours,

J. W. Twente
