

November 15, 1937.

Mr. Earl Falkenstien,  
Athletic Association.

Dear Earl:

I have talked to Dean Swarthout and it is perfectly agreeable to him to set up the seats on the stage for the varsity-frosh game on December 3, and leave them up for our Doane and Ottawa games on the 6th and 7th.

Then we can again set them up for the Baker game on the 13th and use them for the three games with Baker, Southwestern and Morningside.

I think your idea is a bully one to admit the students to the first three games on their activity ticket.

Do you not think it would be a good idea to let the Jay Janes begin selling season tickets as early as possible? Also, since we have the schedule made out, is it not a good idea to have placards made for home games? Would we have time to get them from Leader Zeus and Company, the same outfit that printed the football placards?

Sincerely yours,

FCA:AH

Director of Physical Education.
