Mr. Gwinn Henry,  
Athletic Director,  
University of Kansas.

Dear Gwinn:

I prefer that you write Harry Posner, telling him that you are the new Athletic Director, and giving him your decision regarding the possibility of sending any discarded equipment over to the prison.

It has been several years since such a thing has been done, and certainly if there is no equipment on hand it would be an easy matter to tell him that you have no such equipment.

I will thank you if you will kindly take care of this correspondence as he does not know me, but is just writing to the fellow whom he thought was in charge.

Very cordially yours,

FCA:AH

Director of Physical Education.
