Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas.

Dear Phog:

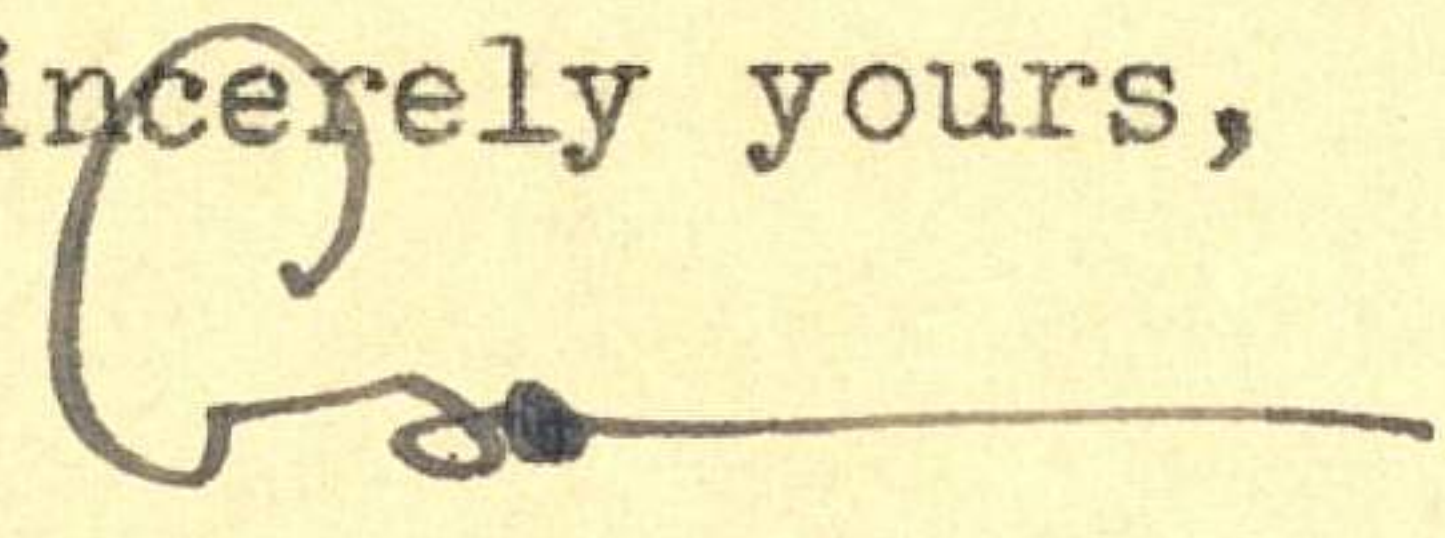

Managing Editor Fuoss has sent you a copy
of the letter which he addressed to me on January 15.

The communication of mine which prompted his
letter was directed to a personal friend of mine, Day
Edgar, Assistant to the Post Editor. I am enclosing
a copy for your information.

I was not checking up on you, but merely delv-
ing because of curiosity into the question of the Post's
method in setting up premises for its deductions.

I still want to have that talk with you at
first opportunity.

Sincerely yours,

Asa S. Bushnell
