Dr. F.C. Allen  
Director of Physical Edu.  
University of Kansas

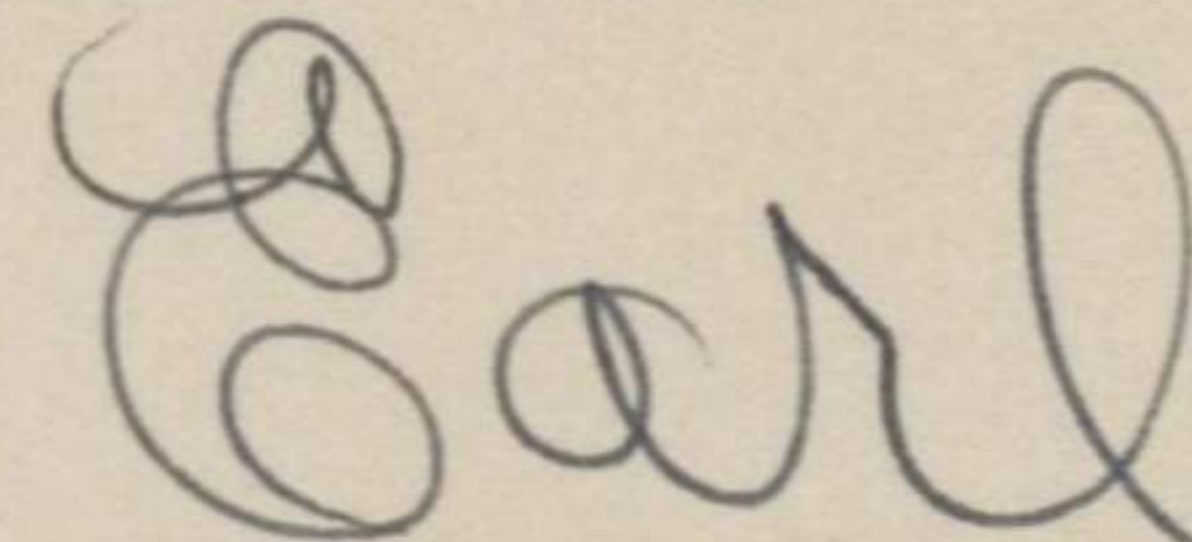

Dear Dr. Allen:

Enclosed you will find a statement, showing the dates and number of used basket balls checked out from the varsity basket ball room to the Department of Physical Education.

In order that the record of equipment in the varsity basket ball equipment room be kept in order, no doubt some agreement should be reached as to the value of the balls used in this manner.

I am sure that we will be able to reach a satisfactory agreement.

Yours very sincerely,

E.L. Falkenstien, Sec'y
