Instructions to timers and scorers (Continued) p. 2.

The game terminates-- The game terminates with the timers signal. If ball is in air and goal is made it shall count. Free throw for a foul made during play shall be allowed although play has terminated in the meantime.

SCORERS

Scorers should keep the box score and running score. The box score is official-- each goal, foul or free throw or free throw attempt should be recorded first. The running score is of secondary consideration.

Check Scores - Scorers should check their scores with representative of opposing team at close of each quarter. It is well to repeat the score after each goal or free throw. If necessary stop game to correct any discrepancy.

Personal Fouls. Scorers should inform officials immediately when a player has made four personal fouls. If doubtful as to whether a foul is a personal or not ask the official.

Substitutions-- Substitutes must report to scorer. Scorer signals officials when ball is dead before "sub" may enter game. Substitution may not be made in the interval following a goal. Substitutes entering second half must report to scorer. A player who has left the game except for disqualification or four personal fouls may re-enter the game twice.

Time Outs - Time outs must be recorded by scorer if doubtful as to whether or not to charge a time out ask official. Notify official immediately when allotted number of time outs have been consumed.
