

Friday - 29 June - Austria

Dear "Play" I just a line to let you know that I'm still receiving your "Rebours" O.K. and I'm mighty glad of it. I've lost most all contact with the basketball world here in Austria and your paper serves as a good intermediary. I was particularly interested in your story about the all big Six Center, Johnson. I had read it once before in one of your books but I think I enjoyed it just as much the second time.

I'm sitting down here near Hufstein, Austria now with the 42nd Division and I guess we will occupy this country
