

THE UNIVERSITY OF KANSAS  
LAWRENCE

OFFICE OF  
THE CHANCELLOR

April 19, 1946

Dear Mr. Allen:

The enclosed invitation deserves a word of explanation. The K. U. Alumni Association has asked me to invite you, and several other loyal K. U. folks, to have dinner with us here, April 28th, and then to meet for a discussion of the World War II Memorial to be built on Mount Oread.

We are always eager to have your support and help in everything we do. Occasionally, however, a project presents itself which requires strong and active assistance on the part of those alumni whose influence is well known. Such a project is the K. U. World War II Memorial.

This meeting is an attempt to secure the benefit of your counsel in regard to the proper procedure for eliciting the full support of all alumni for the Memorial.

I sincerely hope you will be able to be with us. As an added inducement I might mention that the campus has never been more beautiful than it is this spring. If you haven't seen the new Danforth Chapel, which was dedicated just recently, you have another treat in store for yourself.

My best personal regards. Will you let me know if you'll be able to be with us the 28th?

Yours,

Deane W. Malott
