Dear Mr. Allen:

I am very glad to know of your interest in becoming affiliated with the American Association for Health and Physical Education. I enclose a membership blank which gives full information on membership dues and privileges. Membership in our Association does not include membership in the National Education Association.

We are glad to know that you plan to attend the conventions in Minneapolis and Atlanta. I shall look forward to the pleasure of seeing you at one of these.

With kind regards,

Sincerely yours

E. D. Mitchell
Secretary
