

Membership in the American Association for Health and Physical Education Offers You the Following Services

1. *The Journal of Health and Physical Education.*—Active membership entitles you to a copy of the JOURNAL OF HEALTH AND PHYSICAL EDUCATION each school month. This magazine brings to you the latest articles by national leaders as well as practical material for your program and news from over the country.

2. *The Research Quarterly.*—Professional membership entitles you to four copies of the RESEARCH QUARTERLY (in addition to the JOURNAL) which brings reports of research being done in health, physical education, recreation, and related fields.

3. *Reduced Rates on Reprints and Back Copies.*—These may be obtained by members at special rates.

4. *Informational Service.*—The Association provides an informational service to its members for help in their special problems and for references to sources of information on any phase of health and physical education.

5. *District Membership.*—Membership in the National Association automatically enrolls you as a member of your District Association.

6. *Reduced Convention Fees.*—Membership in the Association admits you to the national and district conventions at a reduced fee which practically nullifies the cost of your membership.

7. *Professional Advancement.*—The Association is carrying on active work in your behalf. It works to secure and maintain socially desirable legislation for adequate health and physical education and also to organize and assist district, state, and local health and physical education associations. It is constantly sending out material to aid in securing an enlightened public opinion for the support of your program.

8. *Professional Standards.*—Through its central office, districts, committees, and leaders, the Association is constantly working for professional advancement—studying conditions and trends, setting standards, making a stronger, more dignified, more interesting, and more worth-while profession for you.

Have A Part in This Program --- Join Your National Association --- Your Membership Will Add to Its Strength.
