Dear Dr. Scott:

Thank you very much for your kind letter of
February 2nd giving us information on membership in the
College Physical Education Association.

You mentioned that you were enclosing an
application blank for membership, but we failed to re-
ceive it. I am wondering if you would be kind enough
to send us this membership blank.

Thanking you, and with best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
