My dear Mr. Allen

Your recent letter addressed to Mr. Braucher has been referred to this bureau for reply. We are very glad to inform you that membership in our Association is open to any individual or organization contributing five dollars or more a year. Members are entitled to receive any one of our bulletin services and our magazine "Recreation" as well as a ten per cent discount on all publications purchased during the period of active membership. The magazine and bulletin services which are described in the enclosed statement can be subscribed to separately at the rates indicated in the statement. As you probably know, these services afford the best means of keeping in touch with up to date developments in their particular field. If you would like to look over a sample of the magazine and any of the bulletin services we shall be happy to send them to you on request. We are enclosing an enrollment blank and if you are interested in becoming one of our members, we shall be glad to have you fill this in and return it to us.

We are also enclosing our latest catalog of publications which will acquaint you with the publications available through our Association. If you would like any of the material mentioned or if we can be of further service to you in any way, we shall be glad to have you write us again.

Sincerely yours

Clark Fredrikson
