

July 11, 1942.

Mr. E. J. Medart, President,
Medart Manufacturing Co.,
St. Louis, Mo.

Dear Mr. Medart:

I very humbly beg your pardon for writing you on July 8th asking about the clarification covering royalty due me the second quarter. Our letters apparently passed in the mail because I received a letter from Roy Weinzettel, your sales promotion manager, dated July 8th, enclosing a check for \$175.84 for royalty due me on the second quarter of 1942.

I assure you that I have been very well pleased indeed with the returns and if and when I get to St. Louis I will buy the whole Medart Manufacturing family a drink, and they can specify the brand. I wrote you because I was wondering whether it was a bookkeeping error or not.

I wrote Roy this morning that I am working on something that should go over a lot bigger even than Goal-Hi. I am not just certain now regarding the placement of the manufacturing of it because another fellow is in with me and he is the determining influence. However, I believe that it would work tip-top with you and your firm. Some time when we have an opportunity to visit I will lay the idea before you and see what you think about it.

With all good wishes for your continued health and prosperity, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
