

July 11, 1942.

Mr. R. E. Weinzettel,
Sales Promotion Manager,
Medart Manufacturing Co.,
St. Louis, Missouri.

Dear Roy:

I acknowledge with appreciation your check for \$175.84 covering royalty due us for the second quarter of 1942. I am entirely satisfied with the size of the check. In fact, I am happy about it because the war dislocations have done a lot of things to a lot of people and organizations.

I am sending you a copy of the letter that I wrote your boss, E. J., after I had received the lump sum royalty check. You will understand, of course, that I just wanted to get the matter clarified.

I have something else that I am working on that should net a lot more money than the Goal-Hi has if it works out when the war is over. The thing that I am working on now could not be manufactured during war times. But it will concern you and your firm and I want to discuss it with you and your boss if the opportunity materializes.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
