

November 21, 1941.

Dr. A. E. Garrison,  
Apartado #35 & Aereo #3604,  
Bogota, Colombia, S. A.

Dear Dr. Garrison:

It was a great pleasure to hear from you as of  
November 9th.

Yes, there is a rule book for the Goal-Hi game,  
but it is published by the Fred Medart Manufacturing Co., of  
St. Louis, Missouri, the makers of the Goal-Hi equipment.  
The book sells for \$1.00, but I am asking them to send you a  
copy with my compliments. You may feel free to make copies  
of the rules if you wish.

Yes, we are in the midst of preparation for our  
basketball season. I am sending you a schedule of our games.  
Tonight as a part of the homecoming program we are having the  
Varsity-Fresh game in Hoch Auditorium. I believe this will  
be a big attraction because so many people are interested in  
seeing these two groups in action.

Bob and Eleanor are in school at the University of  
Pennsylvania, and Bob is extremely busy with his medical  
work. He goes to school from 8 o'clock in the morning until  
5 o'clock in the afternoon. While Bob has had some offers to  
coach basketball he is not doing any of that this year. He  
felt he should get more firmly settled in his school work be-  
fore attempting any coaching.

Milton, my older son, who is a senior in the Law  
School and president of his class, is assisting me with the  
freshmen this year. He is doing a fine job.

We shall miss you and Mrs. Garrison and Dean at  
our games this winter, but I am sure you are having a most  
interesting time in South America.

With kindest personal regards to you and your  
family, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
