Mr. "Phog" Allen
Coach, Kansas University
Lawrence, Kansas

My dear Mr. Allen:

Will you please do me a favor? Namely and to wit:
Whereas: and a few other superlative words--

Seriously, I would like very much to have one or
more photographs (glossy prints) of your interesting one-
goal basketball, action photograph of the players.

In a recent issue of "Farm Journal" I saw a
picture with, what I suppose is sufficient information
about the game. I write brief illustrated articles for
various national magazines, and it seems to me your game
is suitable for such use if you will cooperate by sending
me the photographs. No expense to you involved in any
publicity I may be able to obtain, naturally.

Your cooperation will be most sincerely appreciated,
believe me.

With best wishes for your health, happiness and
prosperity, I am,

Cordially yours,

(Mrs.) Anne P. Conly
