Dear Dr. Allen,

Received your kind letter and was very glad to hear from you and Mrs. Allen.

Due to circumstances beyond my control it will be impossible for Betty and me to visit you this weekend. We will make every effort possible to visit with you before winter sets in.

Wish you success during the coming basketball season.

Betty wishes to be remembered to you and Mrs. Allen.

Yours truly,

ELWOOD PITZER
Lieut. (jg), USNR
