Ensign O. N. Pedersen,
Athletic Officer,
Naval Training School.

Dear Ensign Pedersen:

I acknowledge receipt of your letter of this date giving me the athletic schedule of your men. We are keeping this definitely on file for our own schedule-making.

All of your morning classes, of course, can meet on the north athletic fields before football practice. We are reserving the intramural field, which we call the Spencer Field for the Navy from 3:30 to 4:30, but we have the CPT and our own heavy program, so it will be necessary to integrate all of these programs so that everybody may have a practice field. We will have this entire schedule arranged within the next few days and will send you a complete schedule of all activities so there will be no conflict.

Our position is that we shall always give priority to the armed services before intramurals and student activity on account of the war program.

Very cordially yours,

FCA:AH

Director of Physical Education,
