Mr. Ernest Pontius,  
Lawrence Daily Journal World,  
Lawrence, Kansas.

Dear Ernie:

Rather belatedly, but none the less full of deep appreciation for your wonderful service to the basketball team in your public address work, I am thanking you sincerely for the fine work you did.

The job could not have been done better, and we say thank you a thousand times.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
