P.S. We called Elmer Schaake's wife this morning to get Elmer's address, and find that he is at home, with an honorable discharge. I don't know what this means, but it might present another angle to you. If you are interested in our set-up, they might use Elmer in the Lawrence school system. This thought might occur to you - why don't I use Elmer here. Well, Elmer is not a physical education man as much as you are - he is a coach, and we want you because you are primarily interested in physical education.
