Dr. Don Carlos Peete,
Medical Arts Building,
Kansas City, Mo.

Dear Dr. Peete:

I just wanted you to know that Mrs. McSpadden called me this morning and told me she thought so highly of your fine efforts that she recommended you to Mrs. Truxal, who has some stomach trouble. Mrs. McSpadden called me to find out if she had made a mistake. I told her she certainly did not make a mistake!

She is going to call you for an appointment. I didn't want to take anything away from Mrs. McSpadden - she thinks so much of you that she wants you to help others as you did Sparky.

With kindest regards, and assuring you it was a pleasure to have a visit with you, I am

Sincerely yours,
