

January 5, 1940.

Mr. Roscoe Brown,
3807 Booth Street,
Kansas City, Kansas.

Dear Roscoe:

I am wondering if you are available to officiate at our game with Kansas State at Lawrence on January 12th.

Reaves Peters was scheduled to work the game with Parke Carroll, but Reaves notified us that he will be unable to fill the engagement here. We asked the next alternate, Louis House, but he also has another game, and you are next on the list, with the exception of Witte, who lives at Fremont, Nebraska. We are trying to use men closer at home.

If Jack Gardner, the Kansas State coach, is agreeable, we will want you to work this game on the 12th. Let me know if you are free, and if so we hope that Jack will agree to using you.

Very sincerely yours,
