Lt. John A. Pfitseh,
448 AAA (AW) Bn. Adj.,
A.P.O. 184, c/o P.M.,
Los Angeles, California.

Dear Johnny:

Mighty happy to have your letter of the 26th ultimo. We are always pleased indeed to hear from you boys and especially to learn of your new and continuing successes. I know that you are doing a swell job, and I congratulate you on your progress. You have the right idea, Johnny, and you will go a long way. You keep it up and you will be right in the front ranks of officer successes.

Congratulations on your aggressive proselyting for K.U. We will be glad to have you back after the war, and it will be a pleasure to see a great horde of fine athletes with a John Pfitseh tag on them enrolled on Mt. Oread.

We will convey your best to all the good people that you asked to be remembered to. Yes, Dean Nesmith is in our Physical Education Department. He is also trainer and he is helping Henry Shenk with the football team. I am glad to see him so interested in football. With Shenk, Schaake and Dean, the boys will have a lot of fight and go.

John Buescher has gone to the Dow Chemical Company at Midland, Michigan, as supervisor of recreation. Everett Shelton, the Wyoming coach, is the general supervisor of recreation, and he is collecting a basketball team to play in the A.A.A. National tournament. Mike Komenick, Shelton's old Wyoming star, is also going to Dow. Both boys are 4F. So Shelton should have a right fair country ball team.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
