Dear Delbert:

No, we did not play St. John's. We played St. Bonaventure in Buffalo, Fordham in New York, St. Joseph in Philadelphia, and St. Louis University in St. Louis. I am enclosing a schedule with scores of last season's games.

I believe Wyoming played St. John's the week we played. It is my opinion that Wyoming beat them by a rather handy score.

Lots of good luck to you, old fellow.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
