Dear Dan:

I was indeed happy to hear from you and to learn that Murray Brown is doing a swell job. Give him and Mrs. Brown my kindest regards, and always remember me to the Partner household.

Mrs. Allen and Eleanor took a shopping trip to Kansas City yesterday and they came very nearly passing out. It was 97 and the humidity was intense, but about 2 o'clock this morning a wonderful shower came up to cool the atmosphere and everybody is lovely at the present time.

I want to thank you for your station newspaper and wish to congratulate you on the get-up. It is not only well edited, but it is snappy and most readable.

You spoke about my golf. Well, sir, I shot a 33 here the other day and par is 34, and it was in a foursome of good players, so I couldn't have bought off all of those fellows to swear to a fib. Even blind pigs pick up acorns occasionally.

With all good wishes to you and yours, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
