Lawrence, Kansas.

Dear Dr. Allen:

Since I accepted dates for basket ball last spring, I have entered the Motor Court business here at Grants Pass, Oregon. I did think that I would go back to the midwest for the basket ball season, however, business has been so good that it will be impossible for me to get away. I hope this will not inconvenience you too much in assigning substitutes for me.

I have enjoyed my work and associations with the coaches and officials in the Big Six, and will miss greatly the visits with all these fine gentlemen.

We think we have one of the finest Motor Courts on the coast and our business has been swell. It's a lot of fun and we like the climate of southern Oregon.

Thanking you and all the coaches of the Big Six for the wonderful treatment I received, I remain

Your friend,
