

H. L. KIRKPATRICK, M. D.
415 MILLS BUILDING
TOPEKA, KANSAS

Dear Mr Allen.

Lucien

Enclosed find checks. The men
who helped out on this were
Mr L. R. Pyle. Dr M. G. Stow Stow
& Bob Fomey (The Druggist) all
in the Mills Bldg & myself.

The boys certainly are
enjoying the goat-ty. I can
certainly see that it is the
real thing for training - as
well as a lot of fun for
they sure have fun with it.

I'm going to Lincoln -
wouldn't be worth 15 cents if
I stayed at home & would lose
more business permanently
if I stayed here.
I want to thank you again
