Mr. F. C. Allen  
Lawrence Kansas

Dear Sir:

I understand that, in the past, motion pictures have been taken of various basketball games played by K. U. I do not know whether these pictures are available to us but if they are, we would like to make arrangements for showing them in the local high school.

If it is possible for us to obtain these pictures we would accept the responsibility of them and handle expenses.

Would you please give me any information about the films such as size of films, (we have a 16 millimeter projector) and running length? Also, are there any other sports films that might be of interest to us? If so, would you please give facts about them.

I have enclosed a self-addressed envelope which you can use if you so desire to answer this letter

Respectfully yours,

*Don Palmer*
