Dear Friend -

I thought I would write you a line or to so our good friend John H. could deliver it to you. We have been talking about your team of late and the wonderful record they have attained this far. The Mexican are gang on fourth street are waiting for you to come back so they can celebrate the occasion of your arrival. To the King B Topper of all time none greater than the great Rockne. Give Mrs Allen and the rest of the family my regards
