Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

Your letter of April 21, 1945 and the clipping from the April 20, 1945 issue of the Kansas City Star, as written by Mr. C. E. McBride, concerning my father was most welcome and appreciated, however, the only regret I have is my failure to acknowledge your letter within a reasonable time.

Dr. Allen, in all sincerity, my sister joins me in expressing our gratitude for your generous efforts in accomplishing what you have done to clarify the article that previously appeared in the Kansas City Star concerning our father. We only hope that in some way we may be able to repay you for the kindness and consideration shown. It is things like this that give a person renewed faith in the principles of honesty and justice, which appears to be so lacking during these trying times.

Should I have the opportunity of visiting Lawrence, Kansas in the immediate future, or at some later date, I would like to have the pleasure of meeting you again.

Sincerely yours,

William M. Bain
