## MISCUE CAUSES BLUEJAY UPSET

### Fredrick's Goal in Last Sec- onds Gives Monett Thrill- ing 35-34 Win

Greenwood high's luck ran out last night, but there was no letup in the thrills the Bluejays have been giving their basketball faithful.

The score was 35-34 for Monett, a basket by long Leon Fredrick in the last 5 seconds settling the issue—but look what happened.

With a half-minute to go, Greenwood was stalling on its one-point lead and the crowd was screaming in excitement. The Bluejay players thought they heard a whistle and tossed the ball to Referee John Flummerfelt, who was standing out of bounds. Flummerfelt said he hadn't whistled, so gave the ball to Monett. The Cubs hurried to a score and Greenwood barely had retrieved the ball when the game ended.

Even Coach J. H. (Speedy) Collins thought he heard the whistle.

Monett led 10-5 at the first quarter and 19-11 at halftime, but the Bluejays warmed up and sprinted to a 24-22 advantage as the last quarter opened. Once Greenwood enjoyed a five-point lead in that last period, but most of the way it was see and saw.

Fredrick scored 19 points, 12 of them in the first half, while Ralph Bowen led Greenwood with 15. Monett's B team won a 22-11 preliminary.
