Mr. Don Pierce,

Topeka, Kansas.

Dear Don:

I acknowledge receipt of your good letter of the 4th instant, and wish you lots of good luck with the Brooklyn Dodgers.

I did not speak to Milton and Bobby regarding the pictures only in a casual way. In your previous letter you did not ask me to, and I presumed that you had written them. In speaking to one of them I mentioned the fact that I was autographing my picture and sending it to you, and asked if they had heard from you, and they said "no".

If you want pictures from them I believe you better write them individually.

If there is any way I can help you, please command me. I will always be pulling for you.

With best wishes for your success, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
