Dear Doc,

Thanks ever so much for your fine letter that received the other day. I'm sorry I haven't written sooner. Since I last wrote I have been appointed acting sergeant. We do not have enough non-coms so they have appointed a few of us acting non-coms to help out. I was the first non-com man to be selected as a sergeant. I'm still a private but in showing them I've got the stuff it takes to climb.

We had the General around to visit us Sat with a real inspection. It was lots of work but he seemed favorably impressed. At least they gave us the rest of the day off because
