in at the same time. I'd really appreciate it if you would.

I am concentrating on trigonometry at present at every off hour. I expect to take an exam in it some time next week.

I told you, I believe that I was made manager of the battery softball team. We have been given some first uniforms and are playing in the Army, Navy Y.M.C.A. league. We lost our first game 3-2 but won the next 7-5. so I don't think they will fire me as yet.

Well I guess I'd better sign off. I hear from Murray quite often so I keep up with Mt Orad, but write when we have time. You
