Mr. James Porter
Trinity Lutheran Hospital
Kansas City, Missouri

Dear Mr. Porter:

I was over to the basketball games at the auditorium last week end and had a chat with Jimmy Nixon and Abby Lang who told me of your indisposition. I am just writing a letter to you letting you know that you have my sincerest and best wishes. Through the many years I have known you, you have been such a genial individual that you have cast many rays of sunshine, and people like me think very pleasant thoughts when your name is mentioned.

I trust that sometime soon I can drop out to the Hospital to see you.

I am leaving for western Kansas on a speaking tour at noon today, but when I have an opportunity I certainly want to drop by and say hello to you.

With all good wishes for your return to health, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
