Please give my kindest regards to
your family and Mrs. Hulten.
It's always a pleasure hearing from
you and if you can't read all this
letter please accept my apology for
trying to rush thru it - I know now
how difficult it is for you to get around
to doing all the things you'd like to
do -

Sincerely,

Murray Brown

Lucy says to be sure and remember
her to you in my next letter - Here 'tis!
