Mr. Bill D. Phillips,
1729 S. Denver,
Tulsa, Oklahoma.

Dear Bill:

I acknowledge receipt of your undated letter of recent date.

I note that you have sent your transcript to the University of Kansas and that you are planning to enroll here this fall. This delights me very much.

There is no fund here, nor is there any way that I know of, that you could have your tuition paid for playing baseball. We would be glad to give you a job in which you could earn money, but none of the schools in the Big Six have such a provision that I know of.

I have viewed with much interest your fine baseball record.

What do you expect to study at the University of Kansas? I would be happy to hear more regarding your interest and desires, and if there is any way that I can help you at this stage it will be a pleasure to do so.

Awaiting your answer, and with kind personal regards, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
