Dear Fred:

Well, as yet I don't think we have the 1941 Big Six championship basketball team at Lawrence. But -- when some of your youngsters improve things will be different. Hope the story and column about Monday night's game met your approval. I wasn't impressed by the technical basketball exhibited -- and I doubt that you were.

Here's a question -- Does Bobby use the same soft shot that Ted O'Leary used when he was a star for you? I think there's material for a feature story there -- if such is true. I know Ted is a favorite of yours and thought perhaps you taught Bobby his shot. I've yet to see Ted on the subject, awaiting your reply.

Will you please leave three seat tickets and a press ticket in my name at the box office for the Missouri Game? Thanks.

Best regards,

Don Porter
