Mr. Dan Partner
The Kansas City Star
Kansas City, Missouri

Dear Dan:

Thanks for your good letter of recent date telling me that you need three press tickets for the Husker game. I am passing this on to Mr. Earl Falkenstien and I am sure that he will take care of you in his usual prompt and courteous manner.

I do wish that you could talk C.E. McBride into coming along with you. I imagine that it will be necessary for him to become acclimated since he has been in sunny California so long, but it would be good to see him.

I assure you it is a great pleasure to pass any chatty notes along to you for your column. You have been very kind, indeed, to us and it is friends like you that people like to do things with and for.

I still think you are selling this Kansas team pretty high. Every game I feel as if we cannot go any further, but somehow we scratch them out. Wichita gave us a fit for 32 minutes and then folded up.

Sincerely yours,

Director of Physical Education and Recreation
