Mr. Clyde Baker, Ticket Manager
Municipal Auditorium
1310 Wyandotte Street
Kansas City 6, Missouri

Dear Clyde:

This is something special. Governor Payne H. Ratner of Ratner & Allen, 1414 Union National Bank Building, Wichita 2, Kansas, writes me for two tickets, one for himself and one for his son, Teno. Governor Ratner was one of our most enthusiastic basketball fans during his four years at the State House, and so I want you, if you will, to get the Governor two of the very best \$3.00 seats possible, or otherwise, that you can obtain. I will consider this a very personal favor.

The Governor will send in his remittance to you, Bake, and doubtless he will call sometime Monday on the 18th for his tickets, or he will write you as to the disposition of same.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
