Mr. Dan Partner,  
Sports Desk,  
The Kansas City Star,  
Kansas City, Mo.

Dear Dan:

Thank you for your very fine letter of the 2nd instant. I appreciate the conference selections that you have submitted, and I will hold them in strictest confidence.

I told Mac last year that there were certain officials that would not be used, and I thought that he knew that when I told him certain things those things would come to pass. When Mac was with me when we signed the contract for the auditorium I remember his mentioning the fact, and I have worked diligently on that theory. So there is no concern there.

I wish that C. E. McB. would send you to Norman because that will be an thriller, and it will make plenty of news items for the basketball fans for some time to come.

I am hoping to run in to Kansas City Wednesday morning and I will drop by the desk to say hello to you as I am on my way to talk to Mac.

With all good wishes, I am

Sincerely yours,

Director of Physical Education & Recreation,  
Varsity Basketball Coach.
