Dear Dr. Allen:

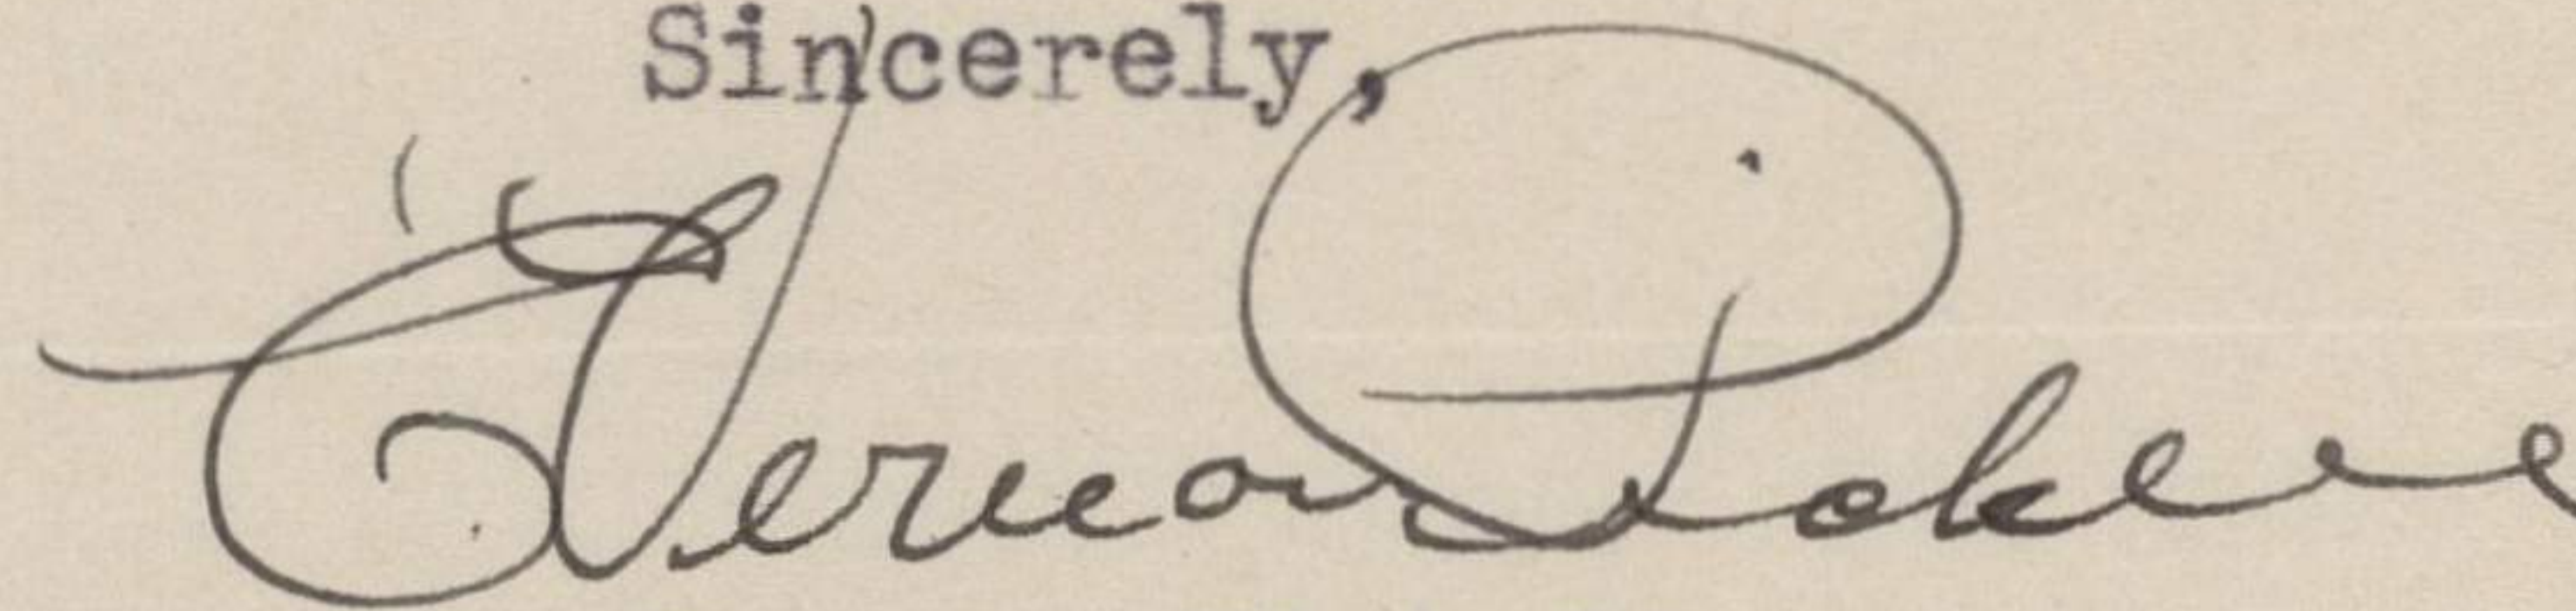

Want to express to you again my personal appreciation, as well as the thanks of our entire membership, for so generously giving us your time last Friday noon.

I know that your talk was an inspiration, not only to the high school students present, but to our membership and the older men present as well.

I have heard so many fine comments concerning your talk that I take this means of passing them on to you.

Thank you again for making our luncheon a success. It was a real privilege and pleasure to have you with us.

Sincerely,

  
C. Vernon Pickell  
President
