

January 12, 1940.

Dr. W. W. Parker, President,
Southeast Missouri State Teachers College,
Cape Girardeau, Missouri.

Dear W. W.:

I took your letter together with the Cape Indian souvenir program home and read the letter and let the family see the picture of your fine looking son. Gee, he is a big fellow, isn't he? I hope that Bill Parker is as good a basketball player as his dad was a football and baseball player.

We were also happy to have the news concerning your family. And old W. W. is a granddaddy! Now, isn't that something! Your family is getting spread over the universe like ours is.

We are playing Missouri next Thursday night at Columbia, and you tell Walter, Jr., if he has an opportunity to say hello to us at the ball game.

We appreciate your kind wishes regarding Bob. We hope that he will go places.

With all good wishes from the Allens to the Parkers, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
