Dear Josephine:

I am so happy that you took the time to drop me a line and let us know that you are still a Jayhawk fan. It is especially gratifying to know that our ex-students follow the results of our games, regardless of how they might be.

As you know by now, we won the Big Six Championship undefeated, but we didn't fair so well in the play-off for the N.C.A.A. against the Oklahoma Aggies last Monday night. I suppose you won't have too much to talk about in the defense of Kansas.

It is fine that Richard is out of the Army and even finer that he now has a spouse.

Be careful of those All-American basketball players from Oregon. From what the boys tell me who have been over seas, the nurses really get around.

Hoping this finds you well and happy, and thanking you for your nice letter, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
