Sgt. George F. Bernhardt, Manager  
Fidelity Insurance Agency  
Leavenworth, Kansas

Dear Sgt. Bernhardt:

I received your fine letter sometime ago and am very sorry that during the past two months we have been completely absorbed in the business of winning the Big Six Championship and losing to the Oklahoma Aggies for the N.C.A.A. play-off.

You have probably been returned to the States by this time and if so, you undoubtedly know all of these facts. However, I am enclosing the scores of our games for the past season.

Your question as to how we came out in the tournament in December can be answer to the effect that we beat Rice in the first round, lost to Oklahoma A. & M. in the second round, and beat Oklahoma University in the concilation, winning third place behind the Oklahoma Aggies.

Milton is still in the Navy as a Lieutenant (jg) and he expects to get discharged sometime before this summer. He is now stationed at St. Louis, Missouri, doing work with the naval supply. Bob is also a Lieutenant (jg) in the Navy, after having graduated from the University of Pennsylvania Medical School. He is on a flat top somewhere in the Atlantic.

I appreciated hearing from you and I am sorry that I was delayed in answering your fine letter. It is certainly swell that so many of your fellows are interested in our basketball and I want you to know that we deeply appreciate the service which all of you have so unselfishly shown.

With kindest personal regards to you, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
