

I am taking an Arts and Science course, with the intention of going into B. & P. A.

I am also interested in playing basketball, if possible. This year, as I did last season, I have been playing with the college of Commerce team of the University League. I graduated from Westport High School in 1936, and was an all-city forward. I realize that means nothing, but I want you to know I really like to play and would like to take a try at your freshman squad this year if it isn't too late.

It would be possible for me to come to Lawrence this
