

Sunday, or any Saturday or  
Sunday following.

I would appreciate talking  
to you about my courses, the  
tuition, the expenses of the school,  
and about whatever I would  
need to know. Now if it is at  
all possible for me to see you,  
I would appreciate your letting  
me know. Many thanks for  
your time and trouble.

Very sincerely yours,  
David Payne
